

# THE FOUR SEASONS OF DISCIPLESHIP:

## A FEW IMPORTANT THINGS:

**1. In making disciples, our ultimate goal is to:**

\_\_\_\_\_.

*It is not enough to rescue the perishing, though this is imperative; nor is it sufficient to build up newborn babes in the faith of Christ, although this too is necessary if the first-fruit is to endure; in fact, it is not sufficient enough just to get them out winning souls, as commendable as this work may be. What really counts in the ultimate perpetuation of our work, is the faithfulness with which our converts go out and make leaders out of their converts, not simply more followers.” -Robert Coleman, The Master Plan Of Evangelism*

**2. In making disciples, \_\_\_\_\_ is important.**

**3. In making disciples, \_\_\_\_\_ is important.**
